

CMGP identified in London Stock Exchange Group's 'Companies to Inspire Africa 2019' report

- **2019 report identifies a new cohort of fast growing and dynamic private businesses across Africa.**
- **CMGP is the market leader for irrigation in Morocco and offers a comprehensive range of products across the manufacturing, distribution, and integration of irrigation and micro-irrigation equipment primarily into the agriculture and infrastructure sectors. As a core part of the business, the company offers a fully integrated irrigation solution to the agriculture sector, which is one of the country's most important sectors.**
- **Working in partnership with DPI, CMGP will look to continue diversifying its product range and expanding its geographical footprint in Africa.**

CMGP has been identified as one of London Stock Exchange Group's Companies to Inspire Africa 2019. The report is a celebration of Africa's and most dynamic growth businesses.

To be included in the list, companies needed to be privately held, and show an excellent rate of growth and potential to power African development. More detail on the methodology can be found in the report online at www.lseg.com/inspireafrica.

The report was produced in partnership with African Development Bank Group, CDC Group, PWC and Asoko Insight who contributed their insight and expertise to select the featured companies, and the report is sponsored by Instinctif Partners and Stephenson Harwood.
